

IMPORTANT WARNING ABOUT FAKE RESIDENCE PERMITS

DO NOT BUY “RESIDENCE PERMITS” FROM INTERMEDIARIES OR UNKNOWN PERSONS.

Recently there have been cases where residence permits in Lithuania are offered through unofficial channels. Such documents are fake and invalid.

WHAT IS IMPORTANT TO KNOW

- Residence permits are issued only by the Migration Department under the Ministry of the Interior of the Republic of Lithuania.
- No private individuals or intermediaries can sell a legal residence permit.
- Using a forged document may result in administrative or criminal liability.
- With a fake residence permit you will not be able to legally work, receive services, or resolve official matters.
- During inspections such documents will be identified as invalid.

SUSPICIOUS OFFERS IF:

You are asked to pay money for a “guaranteed” residence permit.

It is claimed that participation in the official procedure is not required.

You are offered to obtain the document without providing biometric data.

HOW TO VERIFY?

The validity and issuance of a residence permit can only be verified through official sources:

Through the MIGRIS system: <https://www.migracija.lt/migris>

On the official website: <https://www.migracija.lt>

 Do not be deceived. Illegal documents may lead to serious legal consequences.

Always use only official sources of information.
